Cognitive Development

TWIST AND TURN

Take turns with your infant. Spin the Wimzle, roll the Wimzle. Watch how it moves. Cheer your baby as he crawls after the Wimzle. Twist it, turn it. Watch how the Wimzle changes.

SQUISH SQUASH

With your infant on your lap, help her grasp the Wimzle in her hands. Squish the blue sphere. Squash the yellow sphere. Turn it over and do it again.

SPINNING COLORS

Play with the Wimzle and help your infant learn color names. Spin the Wimzle, find the red ball. Spin it again and point to yellow. This can be a fun way to play with your baby as he starts to sit up.

PUSH IT, PULL IT

Push one of the bars of the Wimzle with one hand, then pull the bar back with the other hand. Try it again moving slowly. Can you move it fast?
